

AML Contractor's List

printed: 7/31/2023

The following individuals have expressed interest in and an ability to secure potentially hazardous mine openings. Securing arrangements are the responsibility of the claimant or owner. The Division of Minerals does not make specific endorsements or recommendations. For the most current version of the AML Contractor's List, please visit our Hazard Information webpage at http://minerals.nv.gov/Programs/AML/Hazard_Info/ and look under the "Hazard Information Links" section.
